## ASSISTED LIVING OPTIONS

### Community Based Residential Facilities (CBRF)

A facility where five or more adults reside who are not related to the operator or administrator, do not require care above intermediate level nursing care but receive services that are above the level of room & board, including but not limited to, assistance with bathing, toileting, mobility, nutrition, etc. with **no limit** on the number of hours for personal care services. They cannot provide more than **3 hours of skilled nursing i.e. RN/LPN**, care per week per resident. CBRFs can range in size from 5 to 257 beds & may be private or public, for-profit or not-for-profit, but all must be licensed under Wisconsin DHS Administrative Code.

See page 9 for a listing of CBRFs in Fond du Lac County

### Residential Care Apartment Complexes (RCAC)

A facility where five or more adults reside that consists of **independent** apartments, each with an individual lockable entrance and exit. Each must have a kitchen, including a stove (or microwave oven); & individual bathroom, sleeping & living areas. Services offered could include housekeeping, laundry, bathing, meals, etc. RCACs are limited to providing **no more** than 28 hours per week **total** of services to each resident. Some apartment communities identified as an RCAC through Wisconsin DHS may be a combination of completely independent residents & those that do use *services offered* that they need. RCACs can be a stand alone facility but may also be a physically defined & distinct part of a structure that is a skilled nursing home or CBRF.

See page 10 for a listing of RCACs in Fond du Lac County

## **CARE COMPANION**

Lutheran Homes & Health Services

### **PURPOSE:**

Care Companion allows people who need vital health statistic monitoring the opportunity to remain independent in the comfort of their own homes.

Care Companion is a home telemonitoring program that allows a licensed nurse to monitor the client's vital health statistics over a videophone. With a touch of a button on a telephone, the nurse and client can see and talk with one another while vitals such as blood pressure, blood sugar, weight and blood oxygen are monitored.

The program also offers a "Family Connection" so family members living away have the opportunity to see and talk with their loved one during phone visits.

### **ELIGIBILITY:**

Anyone with health concerns who require regular monitoring.  
No age restriction.

### **COST:**

## **COMMUNITY CARE**

### **Agnesian HealthCare**

#### **PURPOSE:**

Community Care Fund helps fund healthcare for people in serious need of services but who are unable to pay for these services.

Any individual may apply for assistance if he/she is unable to pay all or a portion of the charges from Agnesian HealthCare and meets eligibility requirements. Individuals need to meet a 90-day residency requirement and be a resident in the counties (by certain zip codes) of Calumet, Columbia, Dodge, Fond du Lac, Green Lake, Marquette, Washington, Waushara or Winnebago, and provide proof of residency. Call for specific zip codes. All requests will be initiated through the hospital's Community Care coordinator.

Application forms are available from the Community Care or any Agnesian HealthCare entity. Applications are then reviewed to ensure that all other available funding sources have been utilized, to verify the standing of the patient's account and to ensure that information is accurate.

Community Care is available, but restricted for Agnesian HealthCare services only.

#### **ELIGIBILITY:**

Based on 150% (up to 300%) of Federal poverty level

#### **CONTACT:**

Community Care

## HOME CARE Home Health Care (Skilled)

**Home Health Care** is predominantly intermittent **skilled** nursing care certified by a physician to be medically necessary. It is provided in a home setting to a *homebound* person. Services may also include speech, occupational and physical therapy. Could possibly include home health aide services, i.e. bathing assistance, only if other skilled services are physician ordered. The following providers are **Certified** for Medicare, Medicaid programs as well as some private/commercial insurance plans. Some may also be certified for Veterans Administration. Patients can also privately pay for services.

## HOSPICE CARE

**Hospice care** is for people facing a life-limiting illness or injury. It involves a team-oriented approach to expert medical care, pain management, emotional and spiritual care expressly tailored to the patient's needs and wishes as well as providing support to family members. It could be provided in the patient's home, nursing homes and other long-term care facilities, freestanding hospice centers and hospitals.

Hospice Care is a covered benefit for those who meet eligibility requirements under Medicare, Medicaid and many private insurance plans.
